Dear Ms. Brinkley,

Pursuant to our telephone conversation yesterday, please accept my gratitude for your time, and please find attached (i) a 37 C.F.R. §1.313 Petition for your simultaneous and/or consecutive consideration with the pending Petition Under 37 C.F.R. §1.137(B) for Revival of an Application for Patent Abandoned Unintentionally mailed on January 24, 2007, (ii) an RCE transmittal document, (iii) an RCE Amendment Submission, and (iv) an RCE IDS Submission with (v) an attendant Form PTO-1449 and (vi) a copy of the cited reference. All appropriate fees are provided and/or authorized by the various documents submit herewith.

Just to reiterate the flow of events and desired results:

- (1) a Notice of Allowance was mailed in this case on October 16, 2006,
- (2) the Notice of Allowance was returned to the PTO as undeliverable, apparently due to a problem associated with Applicants' Post Office Box, accordingly,
- (3) Applicants were unaware of the outstanding Notice of Allowance and failed to pay the Issue Fee by the required January 16, 2007 deadline, resulting in Abandonment of the Application,
- (4) Applicants submitted the pending Petition Under 37 C.F.R. §1.137(B) for Revival of an Application for Patent Abandoned Unintentionally on January 24, 2007, along with authorization to pay the Issue Fee upon revival of the Application,
- (5) Applicants now wish to make some minor amendments to the Application and bring some material to the Examiner's attention and accordingly submit herewith
- (5.1) a Petition under 37 C.F.R. §1.313 to withdrawal the Application from Issue (upon granting of the outstanding Petition Under 37 C.F.R. §1.137(B) for Revival of an Application for Patent Abandoned Unintentionally and upon attendant payment of the Issue Fee), and
- (5.2) an RCE and attendant submissions for entry and consideration with respect to the Application (upon revival, issuance, and withdrawal from issuance of the Application).

Please contact me if you have any questions or require any clarification of these events/issues. Thank you.

Sincerely,

Carson C.K. Fincham
